Good Afternoon,

Applications for special event permits cannot be accepted when submitted more than 6 months prior to the event date. Use of the public right-of-way has many variables including construction projects, road repair work, utility access and contractual obligations which preclude the acceptance of early applications.

Please contact me any time if I can be of assistance.

Kind regards,

Germaine Speth

Special Events Permit Office

841 North Broadway, Room 501

Milwaukee, WI 53202
